A clear starting point for your PO.

LiteracyLens by Sorvia LLC | Reading-specific walkthroughs and coaching for elementary instructional leaders. Current annual plan prices confirmed November 3, 2026.

Annual plan / one school	Named instructional leaders	Annual price
Two Users	2	$799
Five Users	5	$1,499

Scope: Both plans include unlimited teachers and walkthroughs. The named-leader limit applies to the adults using the product. Request a quote for multiple buildings or more than five leaders at one school.

Copy-ready requisition line item

LiteracyLens [Two Users / Five Users] annual plan; annual subscription for one school; [2 / 5] named instructional leaders; unlimited teachers and walkthroughs; school: [school name]; license term: [start date - end date]. Annual plan price: [$799 / $1,499], subject to Sorvia written quote and applicable taxes.

Instructional purpose

Core walkthroughs and observation records run on your iPad or iPhone. Supports reading-specific observation and coaching. The revised app is being implemented; confirm release behavior before deployment. Walkthrough ratings do not measure student achievement or overall teacher effectiveness.

Confirm before issuing a purchase order

Trial and deployment: Request Free Pilot Trial access, duration, terms, supported device / operating system, and deployment instructions.
Data and security: Verify offline saving / recovery, speech and suggestion processing, backups, sharing, access controls, encryption, exports and deletion for the released build.
Vendor setup: Request the formal quote, W-9, remit-to details, applicable DPA and required security documentation.
Ordering: Confirm license dates, renewal / cancellation terms, taxes, invoicing and payment terms in writing.
